EXPERT OPINION | INTERNATIONAL COVERAGE

NEWS

## Public Affairs News is the industry's only dedicated title, with the most authoritative coverage of UK and EU public affairs

Relaunched in 2007, it is read by government relations, regulatory affairs and other senior communications professionals, as well as politicians.

Published monthly, the only way to get **Public Affairs News** is to subscribe.

By subscribing you will:

- Receive more public affairs news than any other publication
- Find out who's moving jobs and who's recruiting
- Find out who's investing in public affairs and why
- Find out first about new business leads
- Read numerous top columnists
- Be inspired by your peers – best practice features, opinion and interviews
- Learn about opportunities and threats to your business/clients

*"Following its relaunch **Public Affairs News** is now essential reading for anyone who is serious about public affairs and public policy"*

**Steven Bartholomew**, head of public affairs O2 UK

*"**Public Affairs News** is **THE** insider read for the public affairs industry"*

**Sacha Deshmukh**, chief executive, Mandate Communications

*"**Public Affairs News** is a 'must-read' for anyone in the industry. It has matured into a serious, authoritative publication that doesn't just report the essential news about public affairs but is a valuable forum for debate about the development of the profession"*

**Luke Akehurst**, director, Weber Shandwick Public Affairs
